

**Addendum 1:
Snow and Ice Removal
Contract No: FM-FY14-005**

Questions and Answers

1. Are the bidders who were at the meeting on Tuesday the only bidders allowed to submit since this was a mandatory meeting? **YES**
2. Per inch pricing – “Over 10” – Can this be a per inch price for every inch over 10” or does that need to be a definite amount for “over 10”? (Pages 24 – 31) **Per inch price for every inch over 10”**
3. Page 12 – Contract period says two years with one option year. Is the start date of the contract January 1, 2016? Who is responsible for any snow in December 2015? **(1) ITB specifies TBD (To Be Determined) per page 2, (2) DSU**
4. Can we use larger equipment than snow blowers on some of the large, open walks (ie., rubber bladed skid steer machines)? **Yes, understanding that the contractor will be responsible for any accruing damages as a result of usage of the aforementioned equipment.**
